

Dear Cooper's Point New Property Owner,

On behalf of the Homeowners Association Board of Directors we welcome you to the majestic lowcountry community of Cooper's Point, where life moves at a much slower pace. We look forward to meeting you and know you will enjoy the spectacular marsh views and abundant wildlife that surrounds us.

Our website, www.cooperspoint.org, has a wealth of information, including documents and forms that can be easily downloaded. We welcome your participation within our community.

If you don't already have a copy of the **Cooper's Point Covenants**, please go to the website and download a copy to print for your records.

When you get ready to build, you will need to download and make copies of the **DRC Home Building Guidelines** for yourself and your builder.

To get you started, attached to this letter is a **New Owner Registration Form** and a **Gate/Pool Access Request Form**. Please return these forms to provide us with correct contact information for our files and to process entry cards for gate and pool access that will be mailed to you.

If you have an interest in attending an HOA Board meeting, we convene on the second Monday of the month at The Riverhouse at 8am. We would welcome seeing you there.

As for the Sapelo Golf Club memberships, please contact Mike Hardy directly at hardy.smichael@gmail.com.

If you have any questions or need printed copies of the above-mentioned documents, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Megan Kuntze".

We want to be listed in the gate directory. The phone number we want listed in the directory for guests to call for us to open the gate is _____. (This number can be a landline or a cell phone. When a guest calls you, you will be able to speak to them through the gate box, when you press "7" on your phone it will disconnect the call and open the gate.)

We don't need to be listed and will just use our cards to access the gate.

We would like to order the following additional cards or remotes:

_____ cards _____remotes
